A little bit about us

The Charleston Youth Company distinguishes itself from other youth theatre groups by having students audition to join a season that runs from September to April, featuring Winter and Spring shows.

We prioritize theatre education that goes beyond show preparation. Upon joining our company, you will find a supportive community of peers who motivate and inspire you to reach your full potential. Our instructors focus on each child

individually to provide tailored education that suits your needs.

We believe in nurturing not just performers, but well-rounded individuals with a deep appreciation for the arts. Throughout the season, students engage in a variety of workshops and classes that cover acting techniques, voice training, dance, and even behind-the-scenes aspects like set design and stage management. This holistic approach ensures that each member gains a comprehensive understanding of theatre production.

In addition to honing their performance skills, students are encouraged to develop important life skills such as teamwork, leadership, and self-confidence. Our productions are not just about putting on a great show; they are about creating memorable experiences that foster personal growth and long-lasting friendships.

At The Charleston Youth Company, we celebrate diversity and inclusion, welcoming students from all backgrounds and skill levels. Whether you are a seasoned performer or trying theatre for the first time, you will find a place in our family. Join us and embark on a journey of artistic discovery, where your passion for theatre can flourish in an environment that is as enriching as it is fun.
